## (Please Welcome Continued)

Presented at Campmeetings for the past 5 years, this “Mind Cure” seminar is Dr. Neil’s adaptation of both the Nedley Depression Recovery program, as well as his broad personal study across many disciplines. It integrates congruent science and biblical righteousness-by-faith teachings impacting one’s brain & soul anatomy and function.

### Arnet Mathers, and his wife,

**Lorraine**, live in Maine. He pastors the Calais and Whiting Seventh-day Adventist Churches. From an early age Arnet has had a sense that the part of truth that makes it “moral” is on an inner spiritual and relational plane. That has been his guiding light as

he looks more deeply into the teachings of Scripture. Jesus must be all and in all. He worked in publishing ministries before entering pastoral ministry. Since entering pastoral ministry in 1994, he has served congregations in southern Illinois, southwestern Vermont, and currently pastors in downeast Maine. He is part of the NNEC Prayer Ministries team and of it's InVerity.org ministry and a co-author of the Bible study set: His Healing Love.

**John Ramsay** was born and raised in Manitoba.

His education includes a Business Administration Diploma with Accounting Major from Assiniboine Community College, and a B.Ed. from Brandon University. Prior to employment with the church, he worked for an

industrial finance company and an oil refinery supply company in Alberta. His thirty years of employment with church organizations have been spent in treasury positions with healthcare, publishing, conference, and union conference organizations. He is currently serving as treasurer for the Seventh-day Adventist Church in Canada national office. John and his wife Lucille reside in Courtice, Ontario. ## Save Our Horse Program

Due to budget cuts at the Maritime Conference

Office, even though we had our Horse Program last year and again this year with 16 campers, it is still

in jeopardy. This continues to be a very popular program with all our camps as evidenced by the nearly 50% of campers who sign up to ride. Our horsemanship week has an outreach aspect to it and is a very spiritual week. Campers who come leave not just with an increase in horse knowledge, but with a greater understanding of who their Creator is. We are still urgently in need of funds to be able to keep our horse program operating. Any and all donations are appreciated. Please make them to the "Save Our Horse Program" at the Maritime Conference Office. Your prayers are greatly needed and appreciated too. See Kay Graça for more information. Thank you.

## Raising Funds for Church Schools

Please place all beverage containers (except dairy) into the blue barrels. You can help raise money for our church schools and at the same time keep our grounds clean and beautiful. If you see an empty container on the ground, pick it up and drop it in. Together we can all do our part.

## Please Help Us Keep Our Grounds Clean

Nova Scotia prides itself in its environmental policies. Our church wants to do its part helping keep our environment clean. Each cabin has been provided

with a bucket to take care of food waste. Containers for garbage and recyclable items have been placed in strategic locations for your convenience. You will also find 2 large bins for garbage and 1 large bin for cardboard near the cafeteria. Please do your part in making our grounds a clean and safe place for everyone.

## Internet Wireless Service

Due to problems with our Internet Provider, we are unable to provide Internet Access to the public at this time. We apologize for the inconvenience.
