## President's Message As We Leave Camp Pugwash

*“A thief comes for no other reason than to steal, and to kill, and to destroy: but I am come that they might have life, and that they might have it more abundantly.” John 10. 10.*

As I look back at this week's activities, I cannot help but praise God for the abundance of life-giving messages He has so graciously blessed us with. Surely, all will be able to leave these grounds with the assurance that our Lord has made His presence felt yet again. As it has often been proclaimed during the course of our time together: the glory belongs to Jesus! I appeal to everyone to whisper prayers of thanks for His goodness and for the success of this convocation.

On behalf of the Maritime Conference, I want to extend a word of thanks and gratitude to our guest speakers for allowing God's Spirit to use them in a most wonderful way. Thank you for pointing us to Jesus! Thank you for reminding us of His love and concern for our happiness! I hope that this precious truth will be more real to us now than it has ever been before.

I also want to thank all who worked so tirelessly in their respective roles in making this camp meeting a blessing to everyone. Thank you for allowing God to use you in enriching the lives of both our youth and adults.

And finally, I want to thank everyone for your contribution; for allowing Jesus to be manifested through your warm smiles, firm handshakes and times of fellowship. I wish you safe travel as you journey back home. May the Lord Jesus, who is our only righteousness, continue to motivate all of us toward a level of spiritual intimacy with Him never before experienced. Surely, this has been nothing less than a taste of that more abundant life so graciously promised by our Lord.

I remain yours in the blessed hope,

John Fournier,  
President

## Harvey Station SDA Church

J.A. Strickland visited a lumber camp outside Harvey during the Winter of 1912. He preached to 30 workers who took up an offering of \$18.35, enough to buy a new Summer service tent. Camp Meetings occurred at Lake George from July 12 to August 13, 1912 during which 13 dear souls were baptized. The president came to formalize the organization. He came from Jamaica and stayed for 3 years. He started in Saint John, then Fredericton and was driven out. Even in Harvey they put an animal in his well.

## North Sydney SDA Church

## Thanks From ADRA Canada

Thank you, Maritime Conference, for all your prayers and financial support. You are transforming the lives of many communities diligently working to step out of poverty, together with ADRA Canada. We can't say thanks enough! Please stop by the ADRA Table in the Cafeteria and get a free fan (*great for the hot days of Campmeeting*) as our thanks to you!

The Health Expo in the Village of Pugwash was a great success. About 50 people participated, with half coming from the community. The comments were very positive: "It looks very professional."; "I learned a lot." Many people were glad to be prayed with, and we are praying that God will continue to bless those who will make lifestyle changes in order to improve their health.
