Please Help Us Keep Our Grounds Clean

Nova Scotia prides itself in its environmental policies. Our church wants to do its part helping keep our environment clean. Each

cabin has been provided with a bucket to take care of food waste. Containers for garbage and recyclable items have been placed in strategic locations for your convenience. You will also find 2 large bins for garbage and 1 large bin for cardboard near the cafeteria, as well as several compost bins. Please do your part in making our grounds a clean and safe place for everyone.

Longards 54th Campmeeting

This is Marshall & Verena Longard's 54th year here at Campmeeting. They have a great deal of interesting memories to share, therefore,

when you see them, ask them, as they will be happy to tell you. They should write it all up in a book of Campmeeting Memories. ☺

PLEASE READ THIS:

Raising Funds For Church Schools

Please place all beverage containers (except dairy) **into the blue barrels instead of in the Recycle Bin.**

You can help raise money for our church schools and at the same time keep our grounds clean and beautiful. If you see an empty container on the ground, pick it up and drop it in. Together we can all do our part.
